

SiryusHub.com – Brand & Website Blueprint

1. PURPOSE OF THIS DOCUMENT

This document defines the **official brand architecture, website structure, and page-by-page layout** for rebuilding **siryushub.com from scratch**. It is written so that **any designer, developer, or content strategist** can execute without ambiguity.

This is a **strategic + technical blueprint**, not a mockup.

2. BRAND ARCHITECTURE (NON-NEGOTIABLE)

2.1 Parent Company

Name: Siryus Creative Media Ltd

Role: Legal, strategic, ownership entity

Presence on site: Corporate identity & credibility

Logo usage: Footer, About section, Legal pages

2.2 Primary Operating Brand (DOMINANT)

Name: SIRYUS Artist Management (SIRYUS A.M)

Role: - Artist management & marketing agency - Creative collective - Publisher of music & audiovisual projects - Owner of services, blog, releases, and media output

This is the MAIN BRAND visitors should experience.

Logo usage: - Website header (primary logo) - Homepage hero - Services - Blog - Projects

2.3 Community Division

Name: Siryus Creative Hub (Siryus Hub)

Role: Global independent-artist community & network

Function: Collaboration, connection, ecosystem building

Logo usage: - Dedicated section & pages - Community CTAs - Not dominant over SIRYUS A.M

3. DOMAIN STRATEGY

Domain: siryushub.com

Interpretation: Platform name, not brand identity

siryushub.com is the **official digital platform of SIRYUS Artist Management**, owned by Siryus Creative Media Ltd.

4. GLOBAL WEBSITE STRUCTURE

4.1 Primary Navigation (Header)

1. Home
2. About
3. Services
4. Projects
5. Community
6. Blog
7. Contact

Header logo: SIRYUS A.M

4.2 Footer (GLOBAL)

Footer must appear on **every page**.

Footer Sections

Company - Home - About - Services - Projects - Community - Blog - Contact

Clear distinction banner

Powered by SIRYUS A.M

Sections

1. What is Siryus Creative Hub
 2. Who It's For
 3. How It Works
 4. Join the Network
-

5.6 BLOG

Strategy

- Custom-built blog templates
- WordPress used **only as headless CMS**

Pages

- Blog Index
 - Blog Category Pages
 - Single Blog Post Template
-

5.7 CONTACT PAGE

- Contact form
 - Business email(s)
 - Social links
 - Optional map
-

6. SYSTEM PAGES (REQUIRED)

- 404 Page (branded, helpful)
 - Privacy Policy
 - Terms of Service
 - Cookie Policy
 - FAQ
-

7. BLOG + WORDPRESS (ANSWERED)

✓ Yes, WordPress can be used as CMS

Recommended Setup

- Frontend: Custom (Next.js / Astro / React)
- WordPress: Headless CMS
- API: REST or GraphQL

Benefits

- Full design control
 - SEO friendly
 - Easy content management
-

8. EXISTING CUSTOM CODE (ANSWERED)

✓ YES — all existing custom scripts can be reused

Including:

- Google Analytics
- Google Ads
- Google Search Console
- Meta Pixels
- Any tracking scripts

Implementation

- Injected into `<head>` or via layout component
 - Environment-based control (prod vs dev)
-

9. FINAL NOTE

This structure ensures: - Brand clarity - Scalability - Legal correctness - SEO strength - Zero confusion between entities

This is now the **authoritative blueprint** for siryushub.com.
